Cholesterol* – With red yeast rice
Cholesteril combines red yeast rice with two full-spectrum extracts of olive and artichoke for a wide variety of active ingredients. *Artichoke contributes to normal blood lipid levels including cholesterol.

Description

Daily intake

1 tablet daily

Do not exceed the recommended daily dose and do not take more than 3 mg of red yeast rice monacolin per day. Cholesteril Generation is a nutritional supplement and should not replace a varied, balanced diet and a healthy lifestyle. Store in a cool and dry place. Keep out of the reach of children. Should not be consumed by pregnant or breastfeeding women, children under 18 years of age and adults over 70 years of age. Seek advice from a doctor about consumption of this product if you experience health problems. Should not be consumed if you are taking cholesterol-lowering drugs or if you are already taking other red yeast rice products.

Composition

Ingredients per tablet
