Natural boost against fatigue and exhaustion in a hi-tech and hectic world

Description

About this supplement

Energy Complex is a sophisticated formula which combines carnitine, glutamine, ornithine, D-ribose and rhodiola rosea. This formula has been further enriched with vitamins B3 and B6. Vitamins B3 and B6 help reduce fatigue and exhaustion.

Vitamins B3 and B6 also contribute to the normal function of our nervous system and normal operation of our psyche.

Range of indications

- recommended in the fight against fatigue and exhaustion.
- for a healthy nervous system.

INSTRUCTIONS

2 capsules in the morning at breakfast with a glass of water. Store in a dry and cool place. The recommended daily intake should not be exceeded. Store out of reach of young children. A food supplement should not be used as a substitute of a varied and balanced diet and a healthy lifestyle.
