Description

- Helps promote skin and cartilage hydration†
- May reduce appearance of fine lines and wrinkles†
- Made with hypoallergenic, vegan ingredients

Hyaluronic Acid is a dietary supplement that supports skin hydration for a healthy, youthful appearance as well as provides joint lubrication and comfort. Hyaluronic Acid contains a low molecular weight source of hyaluronic acid to promote absorption in the body.

Composition

Amount Per Serving

Each (size 3) vegetarian capsule contains:

- hyaluronic acid (low molecular weight) 70 mg

other ingredients: hypoallergenic plant fiber (cellulose), vegetarian capsule (cellulose, water)

HyaMax® is a U.S.A. registered trademark of Fenchem.
