The Basenpoeder contains alkaline mineral compounds for proper balance. With pleasant lemon flavour.

## Description

### Alkaline mineral compounds

The Basenpoeder contains alkaline mineral compounds for proper balance. With pleasant lemon flavour.

Calcium: contributes to the functioning of digestive enzymes; supports energy metabolism.

## Daily intake

Dissolve 1/2 teaspoon of the powder in a glass of water (200 ml), twice a day on an empty stomach.

Do not exceed the recommended daily dose. Basenpoeder is a food supplement and should not be used as a substitute for a varied, balanced diet and a healthy lifestyle. Store in a cool and dry place. Keep out of the reach of children. Consult your doctor or pharmacist before use in case of pregnancy or lactation.
