

Qualityzyme - 90 tab

OL30201

Buy this product at <https://www.nutri4all.com/quality-digest-90-tab>

Our most extensive digestive enzyme formula contains active enzymes with a wide range of specific characteristics required for carbohydrate, protein and fats digestion. The high dose of lipase is extraordinary for someone with reduced fat metabolism and fat absorption.

Description

Advice:

1 tablet at each meal or following advice from the therapist.

Warning :

No prolonged use without expert advice.

In case of concomitant use of medication, consult your doctor or therapist.

Contains no gluten, yeast, lactose, soya, synthetic fragrances, dyes.

Composition

Composition per 1 tablet:

Protease/Peptidase mix 23.500 HUT	51 mg
Lipase 5500 FIP	275 mg
Polysaccharides	623 mg
- Amylase	15000DU
- Alpha- galactosidase	70 GalU
- Fytase	35 PHY
- Maltase	700DP
- Invertase	40 SU
- Glucoamylase	20 AGU
- Xylanase	400 XU

- Pectinase	20 endo-PGU
- Lactase	756 ALU
- Cellulase	20 CU
- Hemicellulase	50 HCU
- Macerases	400 CU

Ingredients:

Polysacchariden 623 mg, Lipase 275 mg, Emulgator : E460 Microkristallijne Cellulose 200 mg, Zoetstof E953 isomaltulose 200 mg
Protease/Peptidase mix 51 mg, Emulgator E 470b Magnesiumstearaat 25 mg, Antiklontermiddel E551 siliciumdioxide 25 mg

Categorie:

Digestion

Characteristic:

Vegan, Vegetarian

Form:

Tablet

Free from:

Gluten, Lactose, Soya, Synthetic dyes, Synthetic flavors

Raw Material:

Alfa-galactosidase, Amylase, Cellulase, Fytase, Glucoamylase, Hemicellulase, Invertase, Lactase, Lipase, Maltase, Pectinase, Peptidase, Protease, Xylanase
